

Calendar for INLS 721 Spring 2023 (January 10-April 27)

Instructor:

Caroline Keizer (keizer@email.unc.edu)

cataloger in Davis Library (Humanities and Cartographic materials)

Class meets Tuesdays and Thursday 8:00-9:15 am in Manning 0014

In case I am unable to meet in person, i.e. I am sick, but still able to teach:

Meeting ID: 941 1724 6818 Passcode: 415196

Or:

<https://unc.zoom.us/j/94117246818?pwd=d3ByRGZmQitWY05ZQ0FpZ3ppTFdKQT09>

There are no regular office hours available, but I can meet with students when requested, either after class or on an as needed basis (be aware that I usually logoff around 5 pm and am not usually on at night)

This syllabus, except for a few firm dates, may adjust as the semester progresses. I hope that you can be flexible with me. Nothing should ever happen before the date listed, but things toward the end of the semester might adjust to accommodate our ability to get through topics. I'd rather cover fewer topics well, than more topics, but only superficially.

January 10:

- Introductions—me, you
- Review of syllabus and expectations
- Why do we catalog?

- HOMEWORK:
READ:
 1. "The Bodleian catalogs of 1674 and 1738 : an examination in the light of modern cataloging theory" by Carolyn O. Frost. *Library quarterly*. Vol. 46, no. 3 (1976): p. 248-70. This available online via the UNC-Chapel Hill libraries articles + <https://library.unc.edu/find/articles/>
 2. "On the construction of catalogues of libraries and of a general catalogue ..." by Charles C. Jewett. Available in the Smithsonian Institution's report for 1852: p. 1-20 and skim the rules for cataloging. Available here: <https://babel.hathitrust.org/cgi/pt?id=mdp.39015023260733;view=1up;seq=13>

January 12:

- Overview of the history of cataloging, where we've been, where we are going
- RDA versus AACR2

- HOMEWORK:
 1. SET up your logins and make sure you have access to each of the tools (any Virtual Lab problems need to be addressed in the SILS lab--as they control it)
 2. EXERCISE on exploring different versions of OPACs (directions in the ASSIGNMENTS tab of SAKAI)
 - to submit, a few paragraphs to answer my prompts in the document; **submission required**
 - be prepared to discuss in the following class: what works about each OPAC, what frustrated you about each OPAC, what metadata was missing for you as a patron?

January 17:

- discuss OPACs from homework
- look at catalogers' tools: OCLC, class web, cataloger's desktop, RDAtoolkit (all require logins)
- other tools: Bibliographic formats and standards, WorldCat, OPACs, CRS (Cataloger's Reference Shelf)
- What is MARC? (explore Bib Formats and Standards)
- HOMEWORK:

READ:

 1. What is FRBR? / Barbara Tillet
<http://www.loc.gov/cds/downloads/FRBR.PDF>
 2. *Evaluation of RDA as an Implementation of FRBR and FRAD* / Pat Riva & Chris Oliver.
Cataloging and classification quarterly. Vol. 50 (2012), pp. 564-586
