## **Capturing a snapshot of AIDS service providers in New York City**

Susan Malsbury, CurateGear 2015

# Gay Men's Health Crisis records

- Founded in 1982 to educate the public about HIV/AIDS, provide care services for people with AIDS, and advocate at all levels of government for fair AIDS policies
- Donated their records to the Manuscripts and Archives Division of NYPL via multiple accessions from 1993 to 2000
- Collection consists of paper records, sound and video recordings, and electronic records
- 73 floppy disks were removed from the paper records during processing
- All disks were imaged on a KryoFlux and processed using Forensics Toolkit
