EXPERIENCE

Research Fellow, School of Information Systems, Technology and Management, University of New South Wales, 2004.

Research on: (1) defining Information Systems discipline, (2) job market analysis for LIS graduates, (3) Australian biotechnology industry patent analysis, (4) identification of key Australian ophthalmology researchers. Coordinate research seminar programs.

Adjunct Faculty and Teaching Assistant, College of Information Science and Technology and Goodwin College, Drexel University, 2000 – Present

Undergraduate courses: Information Resources and Use, Strategic Uses of Information, Information Systems Lab I (Microsoft Office), Information Systems Lab II (Visual Basic).

Graduate courses: Information Resources and Services I, Information Resources and Services II, Professional and Social Aspects of Information Services.

Content Manager for Electronic Resources, Bristol-Myers Squibb, Lawrenceville, NJ, 2003.

Troubleshoot access problems. Analyst for electronic journal use. Planned and conducted staff training seminars.

Researcher, Drexel University, 2001

IMLS grant studying the migration from print to electronic journals in an academic library.

Researcher, Wayne State University, 2000 – 2001

IMLS grant studying the impact of information technology on the urban poor in public libraries.

Academic Advisor, College of Information Science and Technology, Drexel University, 1999 – 2000

College liaison to the College of Evening and Professional Studies, and Advisor for undergraduate transfer students. Evaluated transfer transcripts. Enrolled students in classes. Advocated for students with university administration. Participated in student recruitment and new student orientation events.

Graduate Assistant, Drexel University Honors Program, 1998-1999

Developed program activities for Honors students. Wrote and edited newsletter. Researched and wrote report on undergraduate research at Drexel.

Research Assistant, Dr. Katherine McCain, Drexel University, 1996 – 1997

Supported research for Kellogg Foundation grant. Gathered information and wrote reports on bioinformatics and medical informatics educational programs.

Reference Librarian, West Chester University, 1997 – 1998

Assisted students and community patrons with reference questions using print and online sources, participated in conspectus collection assessment, taught web page resource development to librarians.

Librarian, Annenberg School for Communication Library, University of Pennsylvania, 1996 – 1997

Assisted at circulation desk and with reference requests.

Licensed Psychologist, Private Practice, 1978 – 2001

Individual, couples, and group psychotherapy with adolescents and adults. Faculty, Chair Training Clinic, Institute for Psychoanalytic Psychotherapy, 1980-1987. President, Conference Chair, Chair Continuing Education Committee, Delaware Group Psychotherapy Society.

EDUCATION

Drexel University	Information Science	Ph.D.
Drexel University	Library and Information Science	M.S.
Temple University	Educational Psychology	M.Ed.
Temple University	Social Work	B.S.

HONORS

ASIST Doctoral Research Seminar
Beverly C. Griffith Doctoral Research Award
Association of College and Research Libraries Student Research Award
Beta Phi Mu (Library Science Honor Society)

MEMBERSHIPS

American Society for Information Science and Technology
American Library Association

PUBLICATIONS

Marion, L., Wilson, C., Davis, M. Defining Information Systems through journal usage. (under review).

Davis, M., Wilson, C., Marion, L. (forthcoming 2004). Studying scientific collaboration: The case of Australian ophthalmology. *Proceedings of the American Society for Information Science, 67th Annual Meeting, Providence, RI, November 12-17, 2004*. Medford, NJ: Information Today, Inc.

Marion, L. (2004). Of tribes and totems: Author cocitation context analysis of Kurt Lewin's influence in social science journals. PhD dissertation. Drexel University.

Marion, L. (2002). A tri-citation analysis exploring the citation image of Kurt Lewin. In E. G. Toms (Ed.), *Proceedings of the American Society for Information Science, 65th Annual Meeting, Philadelphia, November 18-21, 2002*, (pp. 3-13). Medford, NJ: Information Today, Inc.

Marion, L. (2001). Digital librarian, cybrarian, or librarian with specialized skills: Who will staff digital libraries? In H. Thompson (Ed.), *Crossing the Divide: Proceedings of the Tenth National Conference of the Association of College and Research Libraries, March 15-18, 2001, Denver, CO*. (pp. 143-149), Chicago: American Library Association.

Marion, L. & McCain, K. (2001). Contrasting views of software engineering journals: Author cocitation choices and indexer vocabulary assignments. *Journal of the American Society for Information Science and Technology* 52(4), 297-308.

Montgomery, C. & Marion, L. (2001). Print to Electronic: Measuring the Operational and Economic Implications of an Electronic Journal Collection. In A. Huber, P. Linde, J. Smith (Eds.), *Electronic Publishing 01: 2001 in the Digital Publishing Odyssey. Proceedings of the ICC/IFIP Conference, University of Kent at Canterbury, UK, July 5-7, 2001* (pp. 97-107), Amsterdam: IOS Press.

Marion, L. (Ed.) (1999). *Undergraduate Research at Drexel University*. Produced for Dr. Mark Greenberg, Dean Undergraduate Education, Drexel University.

Marion, L. & Marion, D. (1998). Information technology professionals as collaborative change agents: A case study from behavioral health care. *Bulletin of the American Society for Information Science*, 24(6).

SELECTED PRESENTATIONS

Studying scientific collaboration in action: Research papers. (forthcoming). ASIST Annual Conference, Providence, RI, November 12-17, 2004.

Author cocitation context analysis: A case study. Presentation to BIRG (Bibliometric and Informetric Research Group) Seminar, University of New South Wales, Sydney, Australia, March 2004.

Social network analysis and citation network analysis: Complementary approaches to the study of scientific communication. ASIST Annual Conference, Long Beach, CA, October 19-22, 2003.

“A tri-citation analysis exploring the citation image of Kurt Lewin.” Invited presentation. Sunbelt XXII International Sunbelt Social Network Conference, Le Meridien Hotel, New Orleans, LA, February 13-17, 2002.

“I never knew a person was a bar code: Student assistants’ views of an academic library.” With Susan Williamson. Contributed paper. Library Research Seminar II (LRS II) University of Maryland November 2-3, 2001.

"Print to Electronic: Measuring the Operational and Economic Implications of an Electronic Journal Collection." With Carol Montgomery. Poster Session. ACM/IEEE Joint Conference on Digital Libraries, Roanoke, VA, June 25, 2001.

"Print to Electronic: Measuring the Operational and Economic Implications of an Electronic Journal Collection." Poster session. Drexel and MCP Hahnemann Universities Third Annual Research Day 2001, May 1, 2001. Winner of Best Poster Award.

“Digital librarian, cybrarian, or librarian with specialized skills: Who will staff digital libraries?” Drexel and MCP Hahnemann Universities Third Annual Research Day 2001, May 1, 2001.

“The Future of Libraries.” Invited presentation. Eastern New York Chapter of American Association of College and Research Libraries Conference, Syracuse, New York, April 10, 2001.

“Digital librarian, cybrarian, or librarian with specialized skills: Who will staff digital libraries?” Contributed paper. Crossing the Divide: ACRL Tenth National Conference, Denver, CO, March 15-18, 2001.

“Contrasting Views of Software Engineering Journals.” With Katherine McCain. Poster session. Drexel and MCP Hahnemann Universities Second Annual Research Day 2000, May 1, 2000. Research Day 2000.

“The Information Technology Professional as Collaborative Change Agent.” Panel presentation. American Society for Information Science Mid-Year Conference, Orlando, FL, 1998. Organized panel and delivered presentation.

Poster session: ASIS-DVC / SLA Conference, May 1998. Organized and participated in the first student poster session for ASIS-DVC of Philadelphia SLA.
